

Citizens Coordinating Committee on Friendship Heights

MINUTES CCCFH MAY, 21, 2014

SUE SCHUMACHER, ACTING RECORDING SECRETARY

Lloyd Guerri, Vice Chair called the meeting to order at 8:04.

It was moved and seconded to approve the agenda. The agenda was approved.

It was moved and seconded to approve the April 16 minutes. The minutes were approved.

Bob Cope reported on the Westbard Committee. The Catholic University (CU) report was available at the meeting for distribution to the member organizations. Bob stressed that CCCFH needs to know what we want out of the sector plan. As to concerns about school capacity, he has observed that hi-end condos and townhouses do not bring in large numbers of children. In addition, he stated that there will be a lot of transportation problems especially on River Road, and reminded everyone that there was a lot more to the Sector Plan than the Equity One Properties.

Jenny Sue Dunner reported on the Zoning Committee of the Westbard Sector Plan Committee. She reported that the committee had had a meeting and was meeting again on Friday, May 23.

Lloyd moved and it was seconded to reimburse Bob Cope the sales tax money for the printing of the CU report, which was \$41.64. This had not been covered by the reimbursement referred to in the April 16 minutes. It was seconded and passed.

Norman Knopf reported on Washington Episcopal School (WES). The senior living condo or apartment building is not moving along. One of the items that the school and developer were required to do was work on getting State Highway Administration to approve a traffic light at River and Landy Lane, and not have traffic queuing up on Little Falls. The school has closed the entrance from River Road.

Lewis Remick reported on the Communications Committee. The Committee met and has looked into having a hub, archive file, polling capabilities as well as a website home page. Discussion centered on costs, who will be running it. The Committee was instructed to report approximate costs at the next meeting with the caveat that "Less is Better".

Sue Schumacher gave a short report on the Montgomery County Civic Federation meeting that dealt with the performance gap between the Asians and Whites and the African-Americans and Hispanics in the County High Schools.

Sue Schumacher gave the Treasurer's Report. She reported that the 2014 Dues Notices went out on May 1 and as of May 20 half the membership had paid their dues.
